

CITY UNIVERSITY OF HONG KONG

The Department of Computer Science Entrance Grants

Regulations

The Department of Computer Science has agreed to establish five awards in maximum from its Non-UGC Reserves to students admitted to the BSc (Hons) Computer Science through direct application with effect from the year 2008/2009. The following award regulations shall apply for the academic year 2008/2009:

1. *The awards shall be known as "The Department of Computer Science Entrance Grants".*
2. *There shall be five awards in maximum. The value of each award shall be HK\$10,000. The amount shall be used to settle the payment of the tuition fee for the BSc (Hons) Computer Science programme.*
3. *The awards shall be given to students with outstanding entrance qualifications admitted into the BSc (Hons) Computer Science Year 1 programme through direct application.*
4. *Nominations from the Department of Computer Science shall reach the Student Development Services by the end of October 2008 and the awards shall be made before the end of December 2008. The Department reserves the right to withhold the number of nominees.*
5. *Confirmation will be sought with the Department of Computer Science before July 2008 on whether or not the donations will be continued for the following academic year.*
