Student Exchange

Spain

LAM Kin Long
Year 4 student
Exchange at the University of Alcalá
“I am glad that I had the chance to share Hong Kong culture with Hispanics. It has made me realize how much I love the place where I grew up and live. I am proud of being Hong Konger.”

Croatia

CHAN Ho Ching
Year 3 student
Exchange at the University of Zagreb
“The best part of the exchange is making new friends from other countries and traveling. A lot have made friends from Germany, Spain, Singapore, Ireland, Italy and Croatia with whom I would not have met if I hadn’t gone on exchange.”

USA
Big Data Analytics

United Kingdom

Netherlands

OERLING Jelke Van-Holl
Year 4 student
Exchange at the University of Twente
“What I have been most impressed with is the western culture, the living attitude, self-management and independence. I am very thankful for this exchange experience.”

Canada

CR Ng Yi Yin
Year 3 student
Exchange at Dalhousie University
“People in Canada are full of passion for life and love helping each other. They say thank you as the bus driver for every bus trip, and unlike in mainland even though they do not know each other. I appreciate the human touch here in Canada.”

Singapore

CHAN Ka Sing
Year 4 student
Exchange at the National University of Singapore
“School work here is tough. Students all very hard-working and competitive. They study the assigned projects before lectures, listen attentively in class and do not hesitate to ask questions and share their ideas. Their hardworking and enthusiastic attitude are something we should learn from.”
