Dear internship coordinators,

We would like to solicit your kind assistance in nominating some students for EYAcademy.

One of the Big4 Accountancy firms, Ernst and Young (“EY”) is recruiting students to join its Cadet Programme, EYAcademy.

EYAcademy recruitment would include both open application and nomination this year. Refer to the attached flyer (bottom part), EYAcademy booth will be set up on 5 Sep (Mon) 12:00-2:30pm at Covered Terrance B, Amenities Building to provide more information to CityU students.

Open application

Students from all disciplines can apply EYAcademy via www.ey.com/careers during the period 5 Sep – 10 Oct 2016.

Nomination

In view of the rising demand of talents from diversified majors (for IT audit, business advisory etc), and the fact that EYAcademy offers a great opportunity for Fast-track Internship and Graduate program for EY Cadets, the firm would like to invite your departments to nominate some students for EYAcademy application by 4 Oct 2016.

- The targets are Year 2 students (in 4 year Bachelor Degree Programme), including students from overseas (non-exchange) and of both gender

- Upon receiving your nomination on 4 Oct 2016, EY will invite nominated students to fill in the application online by 10 Oct 2016

Please submit the CVs of your nominated students by NOON on 4 Oct 2016 to Simon Yeung (email: sosimon@cityu.edu.hk Tel: 3442 5592).
**EYA 2016 Intake Timeline**

Selected candidates will go through the EYAcademy recruitment procedure – Aptitude test in October, then Assessment Centre in November. Human Resources colleagues of EY would extend EYAcademy offer to students from your departments (from open application and nomination) in December 2016.
