Career Talk: How to build up your career in a digital era?

SPEAKER **Mr. Samuel Suen**

Membership Committee, Hong Kong Computer Society
SEO, SS Data Limited

DATE 28 Feb, 2022 (Mon)
TIME 7:00 PM - 8:00 PM
VENUE Online via Zoom

ABSTRACT

Automation, digital platforms, and other innovations are changing the fundamental nature of work. In this digital era, how would you build up your career? In this session, HKCS representative will provide you some suggestions and highlight how HKCS can provide value to your career development. Founded in 1970, the Hong Kong Computer Society (HKCS) is a recognised non-profit professional organisation focused on developing Hong Kong's Information Technology (IT) profession and industry. Their members come from a broad spectrum of Hong Kong's IT community, from corporations to like-minded individuals, all coming together to raise the profile and standards of the IT profession and industry.

You are cordially invited to join this sharing session to learn more about the IT industry before your graduation.

- IT Industry at a glance
- Tips for the career interview in the future
- How HKCS can help them in their career development
